

Assistant Teacher Positions Available

The Frazer Center Child Development Program in Atlanta (a NAEYC Accredited Center) is looking **for full-time and part-time assistant teachers** for its Inclusion Program serving children birth to five. Individual will be responsible for the general supervision and management of a classroom. Major functions include: planning, implementing, and supervising a developmentally appropriate, inclusive program. Individual must have working knowledge of "best practices" as it pertains to Bright from the Start licensing regulations, The Creative Curriculum, and NAEYC standards. **Experience with children birth to five and with children with special needs is preferred.** Excellent written and verbal communication skills required.

We offer competitive compensation including great benefits (healthcare, dental, vision), 401(K) matching plan, paid time off (18 days/year), and paid holidays (12 days/year). We also offer quality professional development opportunities.

Minimum qualifications: Minimum of a Child Development Associate credential (CDA), Bachelor's or Associate's Degree (preferred) in a related field (i.e., Early Childhood Education, Child Development, Early Childhood Special Education.)
