January 2025

Hello!

I am honored to extend an invitation for you to sponsor Frazer Center's annual fundraising gala, *Gather in the Gardens*, on Saturday, April 12, 2025. This inspiring event will be held at our historic and picturesque Cator Woolford Gardens, bringing together community leaders, businesses, and advocates united by a shared commitment to inclusion, education, and opportunity for people of all abilities.

For over 76 years, Frazer Center has been a leader in fostering inclusion for individuals with developmental disabilities. Through your support, we can continue providing:

- High-quality early education for children of all abilities, including early intervention services for children at risk of developmental delays.
- Meaningful employment, educational, cultural, and recreational opportunities for adults with disabilities.

As a valued sponsor, you will not only help transform lives but also gain meaningful exposure to an engaged audience that values businesses making a difference in our community. The accompanying sponsorship packet outlines the various levels of support and the benefits associated with each.

We would be honored to discuss how **your partnership can make a meaningful impact**. Please don't hesitate to contact us to explore opportunities for collaboration.

Thank you for considering this opportunity to advance inclusion and equity in Atlanta. Together, we can create a world where everyone belongs.

With gratitude,

DeAnna Julian, CEO
Frazer Center

P.S. Feel free to email me at development@frazercenter.org if you have questions or want to discuss options.

Providing Community Access for groups (CAG) and individuals (CAI) through **social, cultural, educational, recreational, and volunteer opportunities** within the greater Atlanta area, as well as **Supported Employment (SE)** for those seeking vocational opportunities.

Frazer Forest and Cator Woolford Gardens

Ensuring access, restoration, and proper maintenance of our 39-acre old-growth forest, as well as **stewardship of the historic gardens** which serve as an **event venue and social enterprise** for Frazer Center.
